PROFESSIONAL SUMMARY

Lending and financial-services professional with 7+ years of finance and lending experience and leadership experience overseeing branch operations, workflows, approvals, compliance, and employee development. Skilled in credit risk assessment, loan documentation, underwriting support, portfolio monitoring, process improvement, and developing tools and procedures that strengthen operational consistency and informed lending decisions.

CORE QUALIFICATIONS

Lending Operations | Credit Risk Assessment | Loan Documentation | Underwriting Support | Portfolio Monitoring | BSA/AML & KYC Compliance | Internal Controls | Process Improvement | SOP Development | Microsoft Excel | Spreadsheet & Data Analysis | Financial Reporting

PROFESSIONAL EXPERIENCE

America First Credit Union — Salt Lake City, Utah

March 2019 – Present

Assistant Manager / Consumer Loan Officer

- Analyze member documentation, lending information, and risk factors to support sound consumer, business, and home-equity lending decisions while identifying opportunities to advocate for qualified applicants.
- Directed daily branch operations by coordinating workflows, approvals, staffing needs, compliance activities, and employee development while balancing member service and organizational priorities.
- Designed lending templates, tracking tools, training resources, and procedural guidance to strengthen documentation, employee decision-making, sales conversations, and operational consistency.
- Drove branch lending performance during the transition from Assistant Manager to Consumer Loan Officer, personally funding approximately 72% of the branch goal while contributing to a 122% branch sales score in July.

SELECTED LENDING PROJECTS

Risk Analysis Presentation | America First Credit Union — September 2024

- Evaluated systems and information used in approval decisions to identify opportunities for stronger risk analysis and more efficient approval processes; presented recommendations to improve employee critical thinking and decision quality.

Lender Sales Training | America First Credit Union — August 2026

- Developed reusable lender training and supporting materials integrating sales best practices, compliance requirements, customer service, loan referrals, and ancillary-product conversations.
